

CONFIDENTIAL

ADDENDUM TO JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Friday - 12 May 1967

25X1 1. [] Talked with Representative Charles S.
25X1 Gubser (Calif.) who indicated that a group of three people in his district -
[] wished to meet
in confidence with the Agency to furnish some information which
apparently deals with Communist agents in Europe. Apparently they
wished assurance that the Agency would not reveal the source of this
information. []

25X1 2. [] Congressman Selden and members of
his Inter-American Affairs Subcommittee of House Foreign Affairs
visited the Agency. Members present were: Selden, Monagan, Gross,
25X1 Mailliard, Hamilton, and two staffers - Robert F. Brandt and Helen L.
Hashagen. [] briefed from prepared notes and answered
questions. The session lasted about an hour and a half and there
appeared to be no real problem areas.

25X1 3. [] Walter Lloyd called on behalf of
Congressman Gerald Ford to inquire if it was at all possible for the
Director to give a 30-minute talk concerning the Agency to a group of
some 60 top business leaders from Lansing, Michigan. This will be
for 14 June some time between 2:00 p.m. and 4:00 p.m. I indicated I
would look into this and advise.

25X1 4. [] Miss Maholage in the office of
Representative Daniel E. Button called requesting that a professional
brochure and an application for employment with the Agency be sent to
her. A constituent of the Congressman's has requested this. Personnel
has been requested to do this.
